

Friends for the East Cobb Park 2018 Fundraising Campaign

The East Cobb Community Comes Together to Support the East Cobb Park!

Friends for the East Cobb Park, a nonprofit group of community volunteers, has raised over \$1.5 million over the past 20 years to purchase the original 13 acres and to provide enhancements to our much-loved East Cobb Park. In a unique public/private partnership with Cobb County, this organization plans and presents year-round events in the park including “Sunday Fun Days” and “Holiday Lights”, which has become an annual community tradition.

During the original campaign, a generous donor awarded a grant to Friends for the East Cobb Park to create an endowment. Interest earned from this fund has been used to make significant improvements in the park. Funds from the endowment were recently used to assist with the purchase of 29 acres of the adjacent Tritt family land; with a promise to replenish the fund so it may continue to grow and provide opportunities for funding projects in the park.

We invite the community to make contributions to help restore the fund and to ensure the park’s continued growth. The fundraising goal in this initial phase is \$150,000. Funds raised over the amount needed will go toward future park projects, including the potential acquisition of the remaining Tritt property. Gifts of \$1,000 or more will be recognized in the park near the original donor listings. Know that your gift will help ensure that our treasured passive park continues to be a special gathering place for generations to come.

The board of the Friends for the East Cobb Park is committed to continuing to be good stewards of funds contributed for the benefit of the park, and it is our long-term goal to position ourselves to be able to assist with the acquisition of the remaining acreage when it becomes available. Ongoing fundraising for East Cobb Park events, programs and projects including memorial tributes, remain available as well, with details available online.
