ADDENDUM A: Procedures for Establishing and Operating Agency Funds

Incorporation of Governing Instruments of Foundation

The Cobb Community Foundation, Inc. (the "Foundation") is a Section 501(c)(3) public charity. The Foundation's governing instruments include its articles of incorporation and bylaws as amended from time to time, as well as any resolutions and procedures adopted from time to time. All the provisions of such governing instruments and procedures are incorporated in this Agreement and by this reference made part hereof.

Nature & Terms of Agency Funds

Agency Funds established at the Foundation are component funds of the Foundation. The Charitable Organization, a 501(c)(3) organization, has the sole beneficial interest in the fund created herein and is, therefore, also referred to herein as "Beneficiary Organization". All property transferred to the Fund by the Charitable Organization constitutes a "reciprocal transaction" as specified in Financial Accounting Standard 136 which provides that such property is recognized as a liability of the Foundation and as an asset of the Charitable Organization. The Charitable Organization and the Foundation comprise "the Parties".

Unless a third-party donor explicitly acknowledges the Foundation's variance power, contributions to the Fund by third parties will be treated for accounting purposes in the same manner as assets contributed by the Charitable Organization.

The Foundation shall have the authority and control of all property in the fund, and the income earned for the charitable purposes of the Foundation. Each fund may be recorded on the books and records of the Foundation as identifiable and separate. Funds will be a component part of the Foundation and shall be subject to the governing instruments of the Foundation, including the articles of incorporation and bylaws, as amended from time to time. There may not be imposed a restriction that prevents the Foundation from effectively employing the contributed assets, or the income generated, to further the charitable purpose of the Foundation.

Investment of Assets

The Foundation will hold, manage, invest and reinvest all assets contributed to funds established at the Foundation consistent with the Foundation's Investment Policy, which may be modified at any time by the Foundation, with choices available to the fund representatives that may be provided for in the policy. Although the assets may be commingled with other assets of the Foundation in investment pools, the fund's separate identity and value will be maintained. The Foundation does not guarantee that the fund will earn any particular or minimum rate of return with respect to the investment of assets. Investments are not insured, are subject to risk and may lose value. All income and capital gains or losses of the investment pool(s) in which the assets are invested shall be allocated to the fund on a periodic and pro rata basis, based upon the ratio that the value of assets related to the fund invested in the investment pool bears to the aggregate value of all assets invested in said pool(s).

Distributions

Subject to the Foundation's variance power, contributions from this Fund may only be made to the Beneficiary Organization. Fund representatives may request distributions on the Foundation's Grant Request Form. Grant requests must be submitted in writing and may be transmitted by fax, via email or through our donor portal. Fund representatives may authorize the Foundation to accept an unsigned Grant Request Form that is submitted from the representatives' email address of record. The Foundation encourages distributions of at least \$250 from any fund to make most effective use of the Foundation's resources.

Distributions from all funds are subject to the Foundation's variance power and must be ratified by the Foundation's board of directors. Subject to the Foundation's variance power, the Foundation will make distributions from the fund up to the total fund balance. Distributions from endowment funds shall be made annually, for all other funds distributions from the fund shall be made upon written request of the Fund representatives.

Variance Power

All funds established at the Foundation are subject to the Foundation's "variance power", required by Treasury Regulations for the Foundation and its donors to enjoy the more favorable income tax treatment of a community foundation as opposed to the less favorable income tax treatment of a private foundation. Treasury Regulations Section 170A-9(e)(1)(v)(B)(1) specifically states that the governing body of a community foundation must have the power "to modify any restriction or condition on the distributions of funds for any specified charitable purpose or to specified organizations if, in the sole judgment of the governing body (without the necessity of approval by any participating trustee, custodian or agent), such restriction becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community or area served".

Reports

The Foundation shall provide reports regarding each fund's value and contributions to and distributions from the fund.

Inactive Funds

If the value of the Fund drops below the then applicable established minimum account and there is no activity by asset transfer into an Agency Fund for 36 consecutive months, the Foundation will attempt to contact the Fund representatives to ascertain the Charitable Organization's intentions to bring the Fund above the minimum required account balance. If the representatives do not respond after three attempts by the Foundation to contact them, the Foundation may, in its sole discretion, distribute the entire fund balance to the Beneficiary Organization.

Dissolution of the Foundation

In the event of the dissolution of the Foundation, or in the event the Foundation ceases to be a 501(c)(3) organization, the Assets remaining in the Fund, after payment or making provision for payment of any fees, expenses or other liabilities properly chargeable to the Fund, shall be distributed to the Beneficiary Organization.

Dissolution of the Beneficiary Organization

In the event of the dissolution of the Beneficiary Organization, or in the event the Beneficiary Organization ceases to be a 501(c)(3) organization, the Foundation shall maintain the Fund as Fund Advisor; provided, however, the purposes of the Fund shall be modified to provide financial support to one or more such other 501(c)(3) organizations located in Cobb County, Georgia that serve charitable purposes similar to those of the Beneficiary Organization as the Foundation's Board of Directors shall determine.

Merger or Change in Structure of the Beneficiary Organization

If the Beneficiary Organization merges with another organization, the entity resulting from such a merger shall succeed to the rights, powers and privileges of the Organization under this Agreement, but only if such resulting entity is a 501(c)(3) organization. If the resulting entity is not a 501(c)(3) organization, the Foundation shall proceed as if the Beneficiary Organization was dissolved.

Conflict of Terms

If an inconsistency arises between these terms and conditions, and any terms and conditions appearing elsewhere in connection with any fund, these terms and conditions as interpreted by the Foundation shall govern. The Foundation reserves the right to take any actions at any time which, in its sole discretion, it deems reasonably necessary or desirable for the proper administration of any fund in the Foundation.
