ADDENDUM A: Procedures for Establishing and Operating Donor-Advised Funds

Incorporation of Governing Instruments of Foundation

The Cobb Community Foundation, Inc. (the "Foundation") is a Section 501(c)(3) public charity. The Foundation's governing instruments include its articles of incorporation and bylaws as amended from time to time, as well as any resolutions and procedures adopted from time to time. All the provisions of such governing instruments and procedures are incorporated in this Agreement and by this reference made part hereof.

Nature & Terms of Establishing Funds

Funds established at the Foundation are component funds of the Foundation. Contributions to the Foundation's funds are treated for tax purposes as gifts to a Section 501(c)(3) public charity and are generally tax deductible, subject to individual and corporate limitations. Donor-Advised funds may be established by the donation or transfer by any person or organization to the Foundation of money or property, whether by contribution, gift, bequest from an estate, distribution from a trust, or transfer from a charitable or other organization to carry out the charitable purposes of the Foundation, as set forth in its articles of incorporation and bylaws. Such contributions and asset transfers to a Foundation fund represent irrevocable gifts and shall be subject to the legal and fiduciary ownership and control of the Foundation's Board of Directors.

The Foundation shall have the authority and control of all property in the fund, and the income earned for the charitable purposes of the Foundation. Each fund may be recorded on the books and records of the Foundation as identifiable and separate. Funds will be a component part of the Foundation and shall be subject to the governing instruments of the Foundation, including the Articles of Incorporation and Bylaws, as amended from time to time. Restrictions may not be imposed that prevent the Foundation from effectively employing the contributed assets, or the income generated, to further the charitable purpose of the Foundation.

Investment of Assets

The Foundation will hold, manage, invest and reinvest all assets contributed to funds established at the Foundation consistent with the Foundation's Investment Policy, which may be modified at any time by the Foundation, with choices available to the fund advisor that may be provided for in the policy. Although the assets may be commingled with other assets of the Foundation in investment pools, the fund's separate identity and value will be maintained. The Foundation does not guarantee that the fund will earn any particular or minimum rate of return with respect to the investment of assets. Investments are not insured, are subject to risk and may lose value. All income and capital gains or losses of the investment pool(s) in which the assets are invested shall be allocated to the fund on a periodic and pro rata basis, based upon the ratio that the value of assets related to the fund invested in the investment pool bears to the aggregate value of all assets invested in said pool(s).

Distributions

Distributions may be made only for charitable purposes and may be made to publicly supported 501(c)(3) charitable organizations, schools, churches, religious organizations or government entities. Advisors may request distributions on the Foundation's Grant Request Form. Grant requests must be submitted in writing and may be transmitted by fax, via email or through our online fund portal. A fund advisor may authorize the Foundation to accept an unsigned Grant Request Form that is submitted from the advisor's email address of record. The Foundation encourages distributions of at least \$250 from any fund to make most effective use of the Foundation's resources. Unless otherwise requested by the donor of the fund, any distribution from a donor-advised fund shall identify to the grantee organization the name of the fund from which the distribution is made.

Distributions from all funds are subject to the Foundation's variance power and must be ratified by the Foundation's board of directors. Subject to the Foundation's variance power, the Foundation will make distributions from the fund up to the total fund balance except as may otherwise be restricted. Distributions from endowment funds shall be made annually; for all other funds distributions from the fund shall be made upon written request of the fund advisor.

Restrictions on Distributions

The Foundation honors the charitable intentions of its donors consistent with community needs and applicable laws and regulations. The Internal Revenue Code prohibits grants to individuals from donor advised funds. Also prohibited are grants for political contributions or to support political campaigns. Grants may not result in benefits, goods, or services to the donor, the fund advisor, members of their families, and businesses they control. Failure to observe this restriction can subject the fund advisor to tax penalties. Benefits include the payment of pledges, event tickets, meals, sponsorships, registration fees, discounted merchandise, preferred parking and/or seating, and memberships unless the membership confers nothing of value.

Variance Power

All funds established at the Foundation are subject to the Foundation's "variance power", required by Treasury Regulations for the Foundation and its donors to enjoy the more favorable income tax treatment of a community foundation as opposed to the less favorable income tax treatment of a private foundation. Treasury Regulations Section 170A-9(e)(11)(v)(B)(1) specifically states that the governing body of a community foundation must have the power "to modify any restriction or condition on the distributions of funds for any specified charitable purpose or to specified organizations if, in the sole judgment of the governing body (without the necessity of approval by any participating trustee, custodian or agent), such restriction becomes, in effect, unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the community or area served".

Evaluation of Donor Grant Recommendations

In evaluating recommendations for distributions from donor-advised funds, the Foundation confirms that all prospective grant recipients are organized and operated for charitable purposes within the meaning of section 501(c)(3) of the Internal Revenue Code, and that the grant will be used for a charitable purpose. All distributions from donor-advised funds must be approved or ratified by the Foundation's board of directors.

Reports

The Foundation shall provide reports regarding each fund's value and contributions to and distributions from the fund.

Additional Advisors

The privilege of making recommendations shall be extended to donors and their successors. All requests to appoint additional advisors and successor advisors must be communicated to the Foundation in writing by the donor(s) establishing the fund. If any present donor fails to establish a succession plan prior to death, incapacity or resignation, upon such occasion, the remaining balance of the fund shall be transferred to the Foundation's unrestricted fund. The Foundation serves as advisor for all designated, field of interest and unrestricted funds.

Inactive funds

If there are no gifts to a Donor-Advised fund for 36 consecutive months and the Foundation has not received a grant recommendation from the advisor during the same 36 month period, the Foundation will attempt to contact the advisor to ascertain the advisor's desired level of involvement with the fund. If the advisor or successor advisor does not respond after three attempts by the Foundation to contact the advisor (and, if one has been named, a successor advisor) at the most recent address or phone number in the Foundation's records, then the remaining balance in the fund shall be transferred the Foundation's unrestricted fund.

Dissolution of the Beneficiary Organization

In the event of the dissolution of the Beneficiary Organization, or in the event the Beneficiary Organization ceases to be a 501(c)(3) organization, the Foundation shall maintain the Fund as Fund Advisor; provided, however, the purposes of the Fund shall be modified to provide financial support to one or more such other 501(c)(3) organizations located in Cobb County, Georgia that serve charitable purposes similar to those of the Beneficiary Organization as the Foundation's Board of Directors shall determine.

Conflict of Terms

If an inconsistency arises between these terms and conditions, and any terms and conditions appearing elsewhere in connection with any fund, these terms and conditions as interpreted by the Foundation shall govern. The Foundation reserves the right to take any actions at any time which, in its sole discretion, it deems reasonably necessary or desirable for the proper administration of any fund in the Foundation.

Miscellaneous

- a.
